

2014 RETAIL ORDER FORM

An **ALLISON Boat Trailer** loads, launches, pulls, hauls, and protects the Allison Boat better than any other trailer. There are six different model trailers to choose from: **CUSTOM--CHANNEL**, **DELUXE--CHANNEL**, and **DELUXE--TUBE**, and each is available in either a **single axle** or with **tandem axles**. All trailers have curved frames to match the profile of each model boat; and are hand crafted from either **4" steel channel** or (**3/16"**) heavy wall **steel tubing**, and painted electrostatically with polyurethane automotive paint.

Premium features like **Oil filled "Trailer Buddy Gold" bearing hubs**, **Surge disc-brakes w/auto back-up release**, a **Swing-away Tongue**, **LED lighting**, and a built-in **Spare Tire Carrier** are standard on every new **Allison Trailer**.

Only the best trailer is good enough to be **standard equipment** under every new **Allison Boat**.

ADDITIONAL STANDARD FEATURES:

All welded bunk brackets	Pinstripes	Unique modular winch stand
All bunks pressure treated	Bow step platform	Encased winch w/nylon strap
<u>Upright</u> 2x6 main bunks	Coated safety cable	Tongue jack w/large wheel
Keel guide bunks & rollers	Slim-line coupler (UFP)	Stainless ratcheting tie downs
Side steps w/rubber tread plate	Carpeted no rot fender pads	Bow tie-down

The **ALLISON CUSTOM CHANNEL TRAILER** is black with white pin-stripes and has black-wall radial tires mounted on premium 5-spoke aluminum **Star Wheels**. It has conventional style side steps with painted fenders and comes with durable rubber tread step pads. The bow step is aluminum tread.

The **ALLISON DELUXE TRAILER** is available in a choice of either **Steel Channel** OR heavy wall (**3/16"**) **steel tubing**. Included are **Goodyear Marathon Radial Tires** mounted on 5-spoke **Velocity** aluminum wheels. The **Deluxe Trailer** also has bright **Stainless Steel Fenders** mounted on exclusively designed **Deluxe side steps**. Also included are back-up lights, carpeted walk-board, and a wide-track aluminum tongue jack.

Other options are available including galvanizing and paint over galvanizing. **Race boat trailers** can be special-ordered with an exclusive walk-around, aluminum-tread platform.

NOTICE (BRAKES)

Disc brakes are standard equipment on **all** Allison boat trailers. Most states require brakes on all boat trailers exceeding certain gross weights (boat, motor, and trailer being towed). The average minimum limit in most states is 2000-2500 pounds of towed weight when brakes are required. A 20' or larger Allison boat on a trailer will exceed these limits. Therefore, in the interest of safety and the law, we cannot leave off brakes, especially heavier rigs on a tandem axle trailer. **Single axle (race boat) trailers may be the only exception.**

Tandem trailers are equipped with brakes on one axle. Some states require trailers to have brakes on all axels. It is the responsibility of the owner to comply with the laws of his state when brakes on both axels are required.

Name of Dealership:	Date of order:	
Dealer Signature:	Custom Channel (single axle)	\$3,850
	Custom Channel (tandem axles)	4,850
Customer Name:	Deluxe (single axle)	4,600
	Deluxe (tandem axles)	5,850
Customer Address:	Trailer Options	
	TOTAL (Trailer, & Options)	

Place order by filling-in solid each check-box, starting with trailer model and each option desired.
